Data Protection Information

Fraunhofer IOSB takes the protection of your personal data seriously (see [data protection policy](#)). The data you submit via this form will be collected electronically and stored exclusively for the purpose of registering for and conducting the training course and will not be processed further.

"Privacy information read and accepted"

A participation fee of **1.750 €** will be charged per person. After registration, you will receive a confirmation letter.

Substitutions may be made at any time. There is a 25 € service charge for processing refunds. Requests for refunds must be received by 15 October 2021. All registration fees will be forfeited after this date.
